## Business and Career Experience

[All Candidates must complete this section]

I was a sole proprietor of Master John, a shoe and boot manufacturing and retail business, throughout my 20s. In my thirties I switched to the transportation industry for the next decade of my life and then finally got my real estate license in 2007. I have experience in manufacturing as a master shoe maker. I hold a DM license. I have management experience with my company of 20 employees. I have been a full time Realtor for almost 20 years now mostly focused on residential resale and some leasing as well.

## I wish to be a Director of the Ontario REALTORS Care® Foundation because:

[All Candidates must complete this section]

I am a hug fan of the organization since I started riding a motorcycle in 2023 which is also when I first seriously realized the organization existed. I have completed both the 2024 and 2025 rides and have personally raised over \$4000 from the two rides. I have also taken part in the Jam with the past president last year and will again this year. I have always had a passion for fund raising. I was co-chair raising money for the Sunshine Kids Foundation (similar to Make a Wish) with a local real estate group called the Scarborough Westhill Breakfast club where we raised around \$360000 during the decade I was involved with them. I believe I possess strong leadership skills and have completed all three of the OREA leaderships courses. I would love to help further the Ontario Realtors Care Foundation's efforts and believe this is a great way to do that.

At SOSO World Ministries, Our mandate is to bring our community together to provide assistance to food insecure residents of Toronto through food relief, education, access to economic empowerment opportunities, and social inclusion for healthy and resilient communities. Foundational to our programs and services is supporting the wellbeing of our residents informed by values of dignity, respect and equity. We offer support to low-income residents, the homeless, the under housed, and others in need by supplementing their weekly necessities through food bank donations. We serve the broader community members in Toronto as well as residents living in Toronto Community Housing & Toronto Seniors Housing with multiple distributions each week. Our services are provided to over 2000 residents weekly through 3 food bank locations and 13 satellite locations. Our youth and seniors wellbeing programming includes workshops and events for access to skills development and employment, food nutrition, mental and social health, as well as referrals to other community-level supports.

### Business and Career Experience

[All Candidates must complete this section]

With over 12 years of continuous experience as a licensed REALTOR® and Broker in Ontario, I bring a professional background grounded in long-term community engagement, regional representation, and responsible governance within Central Ontario. Since immigrating to Canada in 2011, my professional journey has bridged engineering and real estate. I completed civil engineering and architectural studies and participated in the Professional Engineers of Ontario (PEO) program in collaboration with the University of Toronto. This training shaped a systems-based approach to decision-making that continues to inform my real estate practice, where I view housing not only as an economic asset, but as a foundational element of stability, dignity, and community resilience. Over the past decade, I have worked with established brokerages and teams including Forest Hill and Barry Cohen Homes, developing strong professional networks and a deep understanding of housing dynamics in Midtown Toronto and the broader Central Ontario region. Through this work, I have gained firsthand insight into affordability pressures, transitional housing challenges, and the increasing intersection between organized real estate, shelter insecurity, and food access. I am seeking to serve on the Board to contribute thoughtful, regionally informed perspectives that strengthen the Foundation's charitable initiatives. I am particularly interested in advancing philanthropic approaches that are impact-driven, transparent, and aligned with both local community needs and long-term system-level outcomes. I view Board service as a responsibility to support sound governance today, while also helping shape the future of philanthropy within organized real estate. I believe my professional experience, multidisciplinary background, and long-standing regional presence position me well to represent Central Ontario REALTORS® and to contribute meaningfully to the Foundation's mission during the 2026–2027 term.

### I wish to be a Director of the Ontario REALTORS Care® Foundation because:

[All Candidates must complete this section]

After more than a decade working as a REALTOR and Broker in Central Ontario, I've come to see how closely housing, stability, and community well-being are connected. Having immigrated to Canada myself, I understand how critical safe housing and food security are to building a foundation for opportunity. I want to serve on this Board because I believe organized real estate has both a responsibility and an opportunity to contribute more strategically to these issues. With my background in engineering and real estate, I bring a systems-based perspective and strong regional insight that can help ensure the Foundation's philanthropic efforts are locally informed, impact-driven, and aligned with long-term community needs. Board service, for me, is about responsible governance today and helping shape the future role of philanthropy within our profession

### Business and Career Experience

[All Candidates must complete this section]

I have been deeply involved in organized real estate throughout my career and have had the privilege of serving as President of both the Durham Region Association of REALTORS® and the Central Lakes Association of REALTORS®. These leadership roles allowed me to contribute at a strategic level, advocating for REALTORS® while helping guide our associations through meaningful change. One of the most significant chapters of my leadership journey was being part of the integration of the Durham Region Association of REALTORS® with the associations representing Peterborough, Northumberland, Quinte, and Kawartha Lakes, forming what is now the Central Lakes Association of REALTORS®. This integration required thoughtful leadership, collaboration, and clear communication to ensure members across diverse markets felt heard, respected, and supported throughout the process. I worked closely with fellow Presidents, Boards of Directors, association staff, and key stakeholders to align governance, operations, education, and member services. My focus throughout the integration was on building trust, maintaining professionalism, and keeping the best interests of REALTORS® at the forefront—while creating a stronger, more unified association positioned for long-term success.

### I wish to be a Director of the Ontario REALTORS Care® Foundation because:

[All Candidates must complete this section]

I would like to continue serving as a Director on the REALTORS® Care Foundation because I truly believe in the impact this organization has on people and communities when they need it most. The Foundation represents the very best of our profession—compassion, generosity, and REALTORS® supporting REALTORS® and their families during times of hardship. During my term, I have seen firsthand how meaningful and life-changing this support can be. Being part of the decision-making process has reinforced my commitment to ensuring the Foundation remains strong, sustainable, and responsive to those who rely on it. I feel a deep sense of responsibility to give back to an industry that has given so much to me, and continuing as a Director allows me to do that in a purposeful way. I have also been proud to be actively involved in the REALTORS® Care Foundation Motorcycle Ride, which is more than a fundraising event—it is a powerful show of community, awareness, and support. The ride brings people together from across our industry for a shared cause, and I value the opportunity to help promote, participate in, and grow this initiative. It creates connection, sparks conversation, and plays an important role in expanding the Foundation's reach and impact. I would welcome the opportunity to continue contributing my leadership experience, collaborative approach, and passion for service for another term. I remain fully committed to advancing the Foundation's mission, strengthening engagement, and ensuring REALTORS® Care Foundation continues to be a trusted source of support for years to come.

### Business and Career Experience

[All Candidates must complete this section]

Thank you for considering my application. I have been a registered real estate salesperson since 2021, prior to that I studied interior design in Toronto. My thesis project was developing affordable housing solutions in the downtown core. Throughout the years, I have participated in various volunteer positions focused on shelter and food insecurity. Annually I participate in the Coldest Night of the Year walk, volunteer with the community development council in Quinte and Gleaners Food bank. As a Realtor, our career is focused on helping families find shelter -- whether it be through buying, selling or leasing. Contributing to our the communities is so very important.

### I wish to be a Director of the Ontario REALTORS Care® Foundation because:

[All Candidates must complete this section]

I wish to begin another term as a director of the Ontario Realtors Care Foundation to participate and help with continued growth of the foundation during it's transition to a fully independent non-profit organization. The first term as a director has provided me with invaluable experience. As of 2025, every Realtor in Ontario now contributes to the Ontario Realtors Care Foundation -- this is an amazing achievement that each and every Real Estate professional within our industry should be aware. I hope that within another term, I am able to continue contribute to the success and awareness of this incredible foundation as we help our local communities.

### Business and Career Experience

[All Candidates must complete this section]

With over 30 years of experience as a Realtor®, I've gained a deep understanding of the diverse needs of individuals and families across our communities, and a strong passion for using that experience to make a meaningful difference. My time on the Board of Directors at the Guelph and District Association, including serving as President during the height of COVID, sharpened my skills in collaboration, problem-solving, communication, and leadership when they were needed most. My work on the Public Relations Committees allowed me to be out in the community, building connections and seeing firsthand the impact that collective action can create. Serving on the Government & External Relations Committees with both GDAR and OnePoint has strengthened my advocacy work, giving me the opportunity to bring critical housing issues to the forefront with elected officials and community partners. Beyond real estate, I've spent 8 years with the Guelph Horticultural Society, including four years on the Garden Tour Committee, contributing to event planning, fundraising, and community engagement. For the past two years, serving on the ORCF Board of Directors has been a meaningful extension of my professional and volunteer work. It has allowed me to blend experience, leadership, and community passion to support initiatives that truly improve the lives of people across Ontario. I'm excited for the opportunity to continue this work, by bringing enthusiasm, advocacy, and collaboration to increase engagement, build strong relationships, and expand the Foundation's impact across the province.

I wish to be a Director of the Ontario REALTORS Care® Foundation because:

[All Candidates must complete this section]

Serving on the Ontario REALTORS® Care Foundation Board over the past two years has been one of the most rewarding experiences of my professional life. I am a strong advocate for the ORCF, and I want to continue raising awareness of the incredible work the Foundation does in supporting Ontario REALTORS® as they work within their communities to address food and shelter insecurities. As Pauline Auger who is a Past President of the ORCF quotes, Realtors® truly are the fabric of our communities. We are fortunate to be part of people's lives during pivotal moments, and we see firsthand how food and housing challenges can affect individuals and families. This perspective fuels my commitment to the Foundation's mission. Over the last two years, I have had the honour of serving as co-chair of the Motorcycle Ride for Charity. It has been an incredible experience to work with a group that gives so generously of their time and fundraising efforts to better the lives of those in need. Raising over \$100,000 and travelling across Ontario, being welcomed by Boards and Associations and their members along the way, has been a highlight of my tenure. Going forward, I am committed to strengthening awareness of the ORCF's impact, supporting new initiatives, and helping to increase participation across the province. I bring strong relationship-building skills, a deep commitment to advocacy, and a collaborative approach that helps bring people and organizations together for a shared purpose. It would be a privilege to continue serving as Southern Director, working alongside our members to support the Foundation's mission and make a meaningful difference in communities across Ontario.

### Business and Career Experience

[All Candidates must complete this section]

I am a licensed real estate professional serving Mississauga and the Greater Toronto Area. In addition to active practice, I have contributed to organized real estate through government relations and advocacy roles at the local, regional, and provincial/federal levels, including: Member, Government Relations Committee (2025), Toronto Regional Real Estate Board; Member, Provincial & Federal Advocacy Committee (2025–2026), Cornerstone Association of REALTORS®; and Member, Government Relations Committee (2024), Mississauga Real Estate Board. Through these roles, I have engaged elected officials and public stakeholders across all levels of government—most notably participating in MP meetings during CREA PAC Days 2025 in Ottawa, provincial engagement through OREA REALTOR Advocacy Day at Queen's Park, and conducting municipal policy interviews during the 2024 Mississauga mayoral by-election and TRREB PAC Day. These experiences have strengthened my governance mindset: analyzing policy, weighing stakeholder impacts, communicating clearly in high-accountability settings, and collaborating to advance outcomes that protect REALTOR members and the communities we serve. My work requires disciplined judgment, confidentiality, and responsible stewardship—skills directly transferable to Board service, particularly in supporting a Foundation whose mandate is to empower REALTORS to mobilize charitable fundraising and deliver meaningful community impact.

### I wish to be a Director of the Ontario REALTORS Care® Foundation because:

[All Candidates must complete this section]

I want to help advance ORCF's mission to enable and empower REALTORS across Ontario to fundraise in support of shelter-related causes in the communities where we live and work. As REALTORS, we see firsthand how quickly stability can change for individuals and families, and why strong community supports matter across the housing continuum. Through my service on TRREB's Government Relations Committee, TRREB's Housing Affordability Working Group and West GRC Working Group, Cornerstone's Provincial & Federal Advocacy Committee, and the Mississauga Real Estate Board Government Relations Committee, I have developed a practical understanding of housing pressures and the downstream impacts that can lead to crisis needs. I have participated in meetings with elected officials at all levels of government, which has strengthened my ability to listen, build alignment, and advocate effectively in complex environments. As Southern Ontario REALTOR Director, I will focus on increasing participation and fundraising activation across boards, brokerages, and members—so ORCF can continue supporting registered charities that deliver critical services to individuals and families in need. I will bring a practical, collaborative approach to expanding local partnerships, strengthening awareness, and turning REALTOR leadership into consistent, measurable community impact.

## Business and Career Experience

[All Candidates must complete this section]

I have spent nearly ten years with the Niagara Association of REALTORS®, where I currently serve as Executive Officer, leading a governance-focused and strategic board while overseeing all REALTORS® Care initiatives and government relations efforts across Niagara. My role has allowed me to champion housing affordability, strengthen community partnerships, and support several of our REALTORS® Care recipient organizations, including the 2025 YWCA Niagara. Before joining NAR, I built a strong foundation in leadership and community giving through my work with McDonald's Canada, where I supported local Ronald McDonald House Charities fundraising and helped organize more than a decade of successful McHappy Day campaigns throughout Niagara. I am a proud graduate of the Certified Association Executive (CAE) designation through the Canadian Society of Association Executives, where I have been an active member for more than five years, and I hold CREA's CRAE designation, which has deepened my knowledge of governance and leadership within organized real estate. Beyond my executive role, I serve on the Program Advisory Council for Leadership Niagara and have contributed to several organized real estate committees provincially and nationally. I also previously chaired the Peace Bridge Public School Parent-Teacher Council, a role that reflects my long-standing commitment to volunteerism, community service, and strengthening organizations that support local families.

## I wish to be a Director of the Ontario REALTORS Care® Foundation because:

[All Candidates must complete this section]

I would be honoured to have my name stand for the Executive Officer Director-at-Large position with the Ontario REALTORS® Care Foundation. Much of my professional purpose is grounded in strong governance, strategic leadership, and creating meaningful, community-driven impact. In 2023, my Board of Directors in Niagara identified a bold priority: positioning Niagara REALTORS® as champions and leaders in our communities. From that direction, I built a vision focused on elevating both our advocacy efforts and our REALTORS® Care initiatives. Watching that vision come to life, with measurable progress, stronger partnerships, and tangible wins for the people we serve, has reinforced my belief in purposeful leadership and the power of a shared mission. This momentum led me to volunteer on ORCF's Fundraising Committee and participate in CREA's REALTORS® Care Day in Ottawa, where I saw firsthand the province-wide potential of REALTORS® working together. The work being done at ORCF under Shannon's leadership is inspiring, and when Bill Madder encouraged me to consider this director role, it got the wheels turning. I see the bigger picture of what can be accomplished provincially, and I would be grateful for the opportunity to contribute to that impact, help shape future strategy, and further strengthen the philanthropic voice of Ontario's REALTORS®.
