# Helping Ontario REALTORS® Support Their Communities

Safe and adequate housing is a human right.

Homelessness and food insecurity are at a crisis level in our province.

Knowing that so many of our neighbours are unhoused or underhoused and unable to afford their basic needs is something that concerns the Foundation, REALTORS®, and Ontario Real Estate Boards and Associations alike.

That's where we come in: To enable and empower REALTORS® across Ontario to fundraise in support of shelter-related causes in the communities in which they live and work. REALTORS® and real estate professionals recognize that they are in a unique position to help create healthier and more vibrant communities.

# How the Foundation Addresses the Needs of Ontario Communities:

From the money it fundraises, the Foundation provides grants to registered charities that improve the quality of Ontarians' lives by providing a refuge, haven, or other type of protection from the effects of hunger, the elements, abuse, disabilities, and illness.

**IN 2025, ORCF RAISED  
\$2.6 MILLION AND DONATED TO  
220+ SHELTER AND FOOD  
INSECURITY CHARITABLE  
ORGANIZATIONS!**
